

Customer Education PowerPass

Streamline training with PowerPass! PowerPass is a flexible and affordable training offering that allows schools and districts to pre-purchase discounted, bundled training seats to attend a variety of remote training events throughout the year.

Since PowerSchool’s training calendar is continuously updated, participants can easily browse and choose from a variety of course types and sign up with a few simple clicks. This new training offering removes procurement barriers and allows for just-in-time learning to meet your current and ongoing training needs at a discounted rate - saving districts valuable time and money!

PowerPass provides access to training for all of these solutions and will continue to expand across our portfolio:

- PowerSchool SIS
- PowerSchool Special Programs
- PowerSchool Enrollment
- PowerSchool Enrollment Express
- PowerSchool Ecollect Forms
- PowerSchool Performance Matters
- Unified Talent Professional Learning
- Schoology Learning
