
You can earn Continuing Education Units (CEUs) at PowerSchool University towards professional development while finding ways to streamline your job with PowerSchool.

How to Earn CEUs at PSU

On your registration form, check the box for "I would like to participate in CEUs." While at PSU, be sure to scan your badge at the door for each CEU eligible course. You are able to earn 0.1 CEUs per hour at PSU, at a rate of \$5 each*. For example, 24 hours would be 2.4 CEUs at \$120. The current list of CEU eligible courses is below.

Record and Pay for Your CEUs at UCLA Extension

You MUST enroll in and pay for your CEUs by the enrollment deadline (date available closer to the event, deadline occurs after PSU). Once you return from PSU, follow the steps below:

- Navigate to the UCLA Extension interactive course list (available closer to the event).
- Add all completed PSU courses to your cart and click **Checkout**.
- Follow the steps to create a New Student account, if needed, and to pay for all of your CEUs directly to UCLA Extension.
- Your courses will appear on your UCLA Extension record with the number of CEUs completed.
- You will be able to request transcripts through the UCLA Extension website for your records.
