

## PowerSchool Training Conference Advantages for School Administrators and Office Staff

Are you a school registrar? Do you work in the attendance or counseling office? Are you responsible for administering payroll? Learn how to maximize your return on investment (ROI) and expand how you use your PowerSchool products by attending a PowerSchool training conference.

### What does PowerSchool offer school administrators and office staff?

You're responsible for a multitude of daily student activities such as attendance, disciplinary actions, and tracking academic progress. Explore how to use PowerSchool SIS to complete these tasks efficiently. You might use eSchoolPlus and BusinessPlus for employee management, budgeting, payroll processing, purchase orders and more. Whatever you're responsible for at your district, you'll find courses at PSU that will enhance your ability to perform.

The following are some PowerSchool courses to try in 2020:

- PowerSchool SIS: Attendance Administration
- PowerSchool SIS: Enrolling and Scheduling a Student
- PowerSchool SIS: Health Management
- PowerSchool SIS: Incident Management
- PowerSchool SIS: Setting Up Grading
- Unified Administration BusinessPlus: Employee Life Cycle Part 1
