
How to get PowerTeacher Pro Certification at PSU

On your registration form, check the box to opt in for PowerTeacher Pro Certification to let us know you would like to participate. While at PSU, be sure to scan your badge at the door for each of the four (4) requisite courses from the PowerTeacher Pro Certification courses listed below to verify your attendance in the class. Once you return from PSU, pass the PowerTeacher Pro Certification test to receive your PowerTeacher Pro Certified badge¹. Certification assessment is included in tuition. (Please note: you must have PowerSource access to take the Certification test.)

Benefits to you

- **Save Time** – Gain comprehensive proficiency from expert trainers.
- **Earn Certification** - Deliver PowerTeacher Pro training within your school district and show off your new PowerTeacher Pro badge.
- **Learn from Experts** – Get step-by-step, how-to interactive training with Q&A sessions.
- **Deploy Successfully** – Learn how to introduce the new gradebook in your district.
- **Gain Tools** – Receive the teacher professional development training kit to train others.

Plus all of the wonderful benefits that are part of attending PSU, including opportunities to learn from expert trainers and to network with other PowerSchool learners.

PowerTeacher Pro Certification Courses

All four courses required.

- PowerTeacher Pro for Teachers Part One
- PowerTeacher Pro for Teachers Part Two
- PowerTeacher Pro for Administrators
- Standards-Based Grading Setup

¹ If you were previously certified, please contact us at psu@powerschool.com about getting certified on the most current version of PowerSchool.
