## Unified Classroom Certification at PSU

As part of your PSU tuition, you are eligible for two free Certification exams on two topics. To participate in Unified Classroom Certification, check the Unified Classroom Certification check box on your registration form. After PSU, you will receive a link to a five-part online exam. You must have PowerSource access to take the certification exam. Once you pass, you will receive a Unified Classroom badge that notifies others you are PowerSchool Unified Classroom Certified. If you were previously certified, please contact us at [psu@powerschool.com](mailto:psu@powerschool.com) about getting certified on the most current version of PowerSchool.

### Certification Benefits

Your PSU experience includes the opportunity to learn from expert trainers and network with other PowerSchool learners. Additionally, seeking a Unified Classroom Certification while at PSU offers the following benefits:

- Validates your PowerSchool Unified Classroom training experience
- Certifies you to deliver Unified Classroom training within your school district

### Unified Classroom Certification Courses

In order to be properly prepared for the Unified Classroom exams, the following classes are recommended.

- Unified Classroom: Starting the Year
- Unified Classroom: Managing Daily Classroom Activities
- Unified Classroom: Responding to Student Performance
- Unified Classroom: Keeping the School Community Informed
- Unified Classroom: Planning with Educational Leaders
- Unified Classroom for System Administrators
