Learnia™

Learning power for the classroom.

PEARSON

Report Resources

- Reports Webinar
- Learnia User Guide
(Updated Version in Help Section)
- Your Implementation Manager

Remember!

If you don't use the results to change your instruction...you are just giving another test!

Learnia™

Learning power for the classroom.

PEARSON

Ways to Use Learnia Data

- Conduct regular data meetings to discuss data and instruction
- Bring together grade-level teams to discuss what is happening in classroom
- Discuss...
 - Areas of strength
 - Areas of weakness
 - Students to target for support or challenge
 - Instructional ideas and strategies
 - Trends across grade levels

Learnia™
