

**Essential Questions:**

- How do we prepare for disasters?
- What are some emotional, physical, mental, and financial effects of disasters?
- What role do human strength and resilience play in recovering from disasters?

*The goal of this station is to argue whether people should rebuild in disaster-prone areas.*

# Station 5

## ***Rebuilding: Should We or Shouldn't We?***

**Materials:**

- Computer
- Instruction Sheet
- Data Collection Sheet
- Station 5 Student Sheet: Rebuilding: Should We or Shouldn't We?
