KENTUCKY DEPARTMENT OF EDUCATION

Introduction to CIITS School and District Data

How are students in my School/District performing?

Explore the KPI Dashboard

The dashboard features a blue navigation bar with four main sections: 'School & District Data Reports and Indicators', 'Classrooms Standards and Instructional Materials', 'Assessment Admin Create & Monitor', and 'Educator Development Goals, Performance, PD'. Below the navigation bar, the page title 'Dashboard' is displayed on the left, and printer and help icons are on the right. A filter bar contains 'KPI Dashboard', 'Benchmark Tests', and 'Report Bank'. The main content area is titled 'Kentucky Department of Education' and includes a search box for 'School, Teacher, or Section'. The primary data section is 'Student Attendance and Enrollment', which contains four KPI cards: 'Total enrollment' (307,171), 'Mobility Rate' (10.01%), 'Special Ed' (15.54%), and 'English Learner (EL)' (2.87%). Each card includes a progress bar and a 'Details' link.

The screenshot shows a software interface with a blue navigation bar at the top. The navigation bar contains four tabs: 'School & District Data Reports and Indicators', 'Classrooms Standards and Instructional Materials', 'Assessment Admin Create & Monitor', and 'Educator Development Goals, Performance, PD'. Below the navigation bar, the main content area is titled 'Pre-Formatted Reports' and includes a help icon (a question mark in a circle). The content is organized into two columns. The left column is titled 'How to Build a Pre-Formatted Report' and contains two numbered steps: '1. Select Report Type.' and '2. Select data to view.' The right column is titled 'Standardized Assessment Reports' and 'Demographic Reports', each with a bulleted list of report types and their descriptions.

Pre-Formatted Reports

How to Build a Pre-Formatted Report

- 1. Select Report Type.**
Click a pre-formatted report link (e.g., AYP Stoplight Summary Report) to display the pre-formatted report page, allowing you to customize the pre-formatted report with data and viewing options.
- 2. Select data to view.**
Next, customize your report with data (e.g., school data, student subgroup criteria data, etc.) and any appropriate viewing options.

Standardized Assessment Reports

- [Standardized Assessment Performance](#)
This report analyzes student performance on standardized tests.

Demographic Reports

- [Demographic Overview](#)
This report provides a summary analysis of student demographic data according to gender, ethnicity, and grade.
