Notes:

- Adobe PDF Reader (v 8.0 or later) is required for print-formatted content such as student profiles and reports in CIITS
- Mac users should use Safari 6 or Google Chrome due to a Safari 5* defect affecting online assessments that include math manipulatives (such as a ruler or compass)
- Internet Explorer 8** users are required to upgrade their browser version or download the Google Chrome Frame plug-in in order to author or edit hot spot assessment items
