## Schoolnet: Viewing Past Year Sections

Audience Roles: Teacher, Leadership, Staff with Specialist

Learn how to view test results for students you taught in previous school years. This option is not available if only one year of section assignments are available or if your site is configured to allow access to only current students.

### Viewing Test Data from Past Year Sections

1. On the navigation bar, roll your cursor over **Classrooms** and click **Student Performance**
2. On the **Student Performance** page, click **Past Years' Sections**

3. Select a school year
4. Select a section from the **Section Chooser** menu
5. Click the **Standards Mastery** tab

6. Choose options from the test menus to filter test results
