

Schoolnet: Viewing Student Voice Results Quick Reference Card

Schoolnet: Viewing Student Voice Results

Access student voice results through the CIITS Educator Development Suite module.

Access Student Voice Results as a Teacher

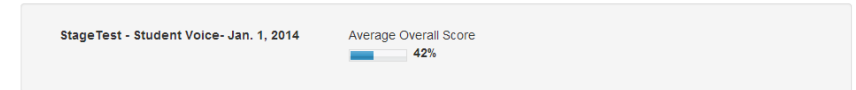

Follow these steps to access your Student Voice Survey results:

1. Click the Educator Development header on the blue navigation bar
2. Under Tools and Reports, select Student Voice Results

3. The Student Voice Results per Teacher report provides an at-a-glance look at the overall Student Voice results for a teacher in a school. The report displays by teacher and includes teacher name, overall results, and percentage of positive responses for each construct that is included on the report.
