How to copy a shared test in CIITS

Note: In order to share a test within your school, the test should be created as a Common Classroom Assessment. Common Classroom tests cannot be scheduled or assigned to a section until the test is copied by the teacher and saved as a My Classroom assessment.

Step 1: Hover over Assessment Admin Tab, then click Find a Test.

Welcome, Nicholas! | [Sign Out](#) | [My Account](#)

The screenshot shows the 'Assessment Admin' section of the CIITS interface. The navigation bar includes 'Classrooms Standards and Instructional Materials' and 'Assessment Admin Create & Monitor'. The main content area has three columns: 'Dashboard' (with a grid icon), 'Create Tests, Items, and Passages' (with a document icon), and 'Find an Item or Passage' (with a magnifying glass icon). The 'Find an Item or Passage' button is highlighted with a red box. On the right, there is a 'SYSTEM (CIITS)' section with a brief description of the system.

Step 2: Next, click the name of the test that you would like to copy.

The screenshot shows the 'Test Central' interface. On the left, there is a 'Find a Test' search panel with filters for 'Enter Test name or ID', 'All subjects', 'Grade Level', 'Test Stage' (with checkboxes for Private Draft, Scheduled, Public Draft, In Progress, Ready, Completed), and 'Admin Date Range' (set to 2012-2013). On the right, there is a table of search results. The first result is highlighted with a red box.
